

SISP NEW SUBMISSION FORM

Title:

Author/Editor Name(s):

Corresponding Author:

Eligibility - Author(s) is/are:

Discipline/Subject area:

If a proposal, provide estimated completion date:

Abstract/Description (up to 300 words):

Keywords:

Financial Disclosure:

Per SD 103, *Standards of Conduct*, please identify any source of funding for the research conducted and relied upon in the drafting this manuscript that exceeds \$10,000 (USD). SISP identifies funders in its publications when named in acknowledgments by the authors:

Manuscript contains nomenclatural acts that must comply with the ICZN.

SISP registers its publications in ZooBank when required by the ICZN. Authors are encouraged to register specific nomenclatural acts in ZooBank as well after publication.

Will your work include third-party materials that require permission?

If yes, begin requesting those permissions now (if not already secured).

Manuscript page count (double spaced, 1-inch margins):

Number of tables:

Number of figures (i.e., all graphs, maps, and photos):

Do figures require color printing?

Will the author prepare an index for SISP?

If no, SISP will determine if one is required and hire indexer.

Does the manuscript require special characters other than standard diacritics?

If yes, explain:

Not including standard italic treatment of species names, does the text include special

styling (e.g., bold, underlining) that should be retained?

If yes, explain:

Author Information *(If more than four authors, attach list of additional authors and their details.)*
